

Food Hygiene Policy

Policy statement

In Pre-School, we provide and/or serve food for children as a mid-morning snack.

We maintain the highest possible food hygiene standards with regard to the purchase, storage, preparation and serving of food.

EYFS key themes and commitments

A Unique Child	Positive Relationships	Enabling Environments	Learning and Development
1.3 Keeping safe		3.3 The learning environment 3.4 The wider context	

Procedures

- Staff who prepare and handle food receive appropriate training and understand (and comply with) food safety and hygiene regulations. All staff have completed the Basic Hygiene Course Level 2.
- All food and drink is stored appropriately.
- Food preparation areas are cleaned before use as well as after use.
- All surfaces are clean and non-porous.
- There are separate facilities for hand washing and for washing up.
- All utensils, crockery etc are clean and stored appropriately.
- Waste food is disposed of daily.
- Cleaning materials and other dangerous materials are stored out of children's reach.
- Children do not have unsupervised access to the kitchen.
- Adults do not carry hot drinks through the play areas and do not place hot drinks within reach of children.
- Snack and meal times are appropriately supervised and children do not walk about with food and drinks.
- Fresh drinking water is available to the children at all times.
- We operate systems to ensure that children do not have access to food/drinks to which they are allergic.
- When children take part in cooking activities, they:

- are supervised at all times;
- understand the importance of hand washing and simple hygiene rules;
- are kept away from hot surfaces and hot water; and
- do not have unsupervised access to electrical equipment.

Reporting of food poisoning

- Food poisoning can occur for a number of reasons; not all cases of sickness or diarrhoea are as a result of food poisoning and not all cases of sickness or diarrhoea are reportable.
- Where children and/or adults have been diagnosed by a GP or hospital doctor to be suffering from food poisoning and where it seems possible that the source of the outbreak is within Pre-School, the Supervisor will contact the Environmental Health Department and the Health Protection Agency, to report the outbreak and will comply with any investigation.
- If the food poisoning is identified as a notifiable disease under the Public Health (Infectious Diseases) Regulations 1988 Pre-School will report the matter to Ofsted.

Legal Framework

- Regulation (EC) 852/2004 of the European Parliament and of the Council on the hygiene of foodstuffs

Further guidance
